

**Major Projects Association
PhD Research Grant Application
LONG-TERM GRANT**

(Your application must not exceed two pages – any supplementary material may not be read.)

Name:		
Title of PhD / research:		
Where studying:		
Your contact details:	Telephone:	
	Email:	
	Postal Address:	
Please outline your (proposed) research including details of any work already undertaken, research methods proposed, duration of research, and expected impact, benefits and results of the work.		

Please explain how your research fulfils the judging criteria for this grant, paying particular emphasis to how you intend to engage with the Major Projects Association and how this engagement could make a difference to your work and to the membership of the Association. (Please bear in mind the key purpose of the Major Projects Association is to improve the initiation and delivery of major projects through the interaction of members from all sectors in sharing experience, knowledge and ideas.)

Please provide names and email addresses of two referees (academics or leading practitioners) who would be willing to write in support of you and your proposed research. Your Supervising Tutor should be one of these referees. Supervising Tutors will be contacted throughout the period of the grant to ensure the quality of your work.

1.

2.

Please also attach your CV (max 2 sides of A4) and send your application to:
